

A Higher Standard

of Intellectual Care:

To address various intellectual needs, Team Elliott Education offers choices in programming to different healthcare community sites:

- ✓ **Comprehensive** Program is available for healthcare communities who choose to subcontract entire monthly calendar activity to Team Elliott Education. Participants are recognized through induction into the *Lifelong Learners Hall of Fame*.
- ✓ **Session Specific** Programs are available for communities to schedule regularly or intermittently, as a supplement to their community's activity schedule.
- ✓ **Field** Programs involve consultations and training for sites beyond Team Elliott's geographical area.

Note: Rates per session range from \$50 to \$100. Materials are included for all sessions.

For breadth and depth of lifelong learning, Team Elliott Education offers a higher quality of programming excellence!

Lifelong Learning*

Program Overview

Team Elliott Education includes innovative, interactive opportunities which are designed to empower, energize, and entertain all who participate. This all happens by:

- ✓ **Providing** well-planned, enjoyable experiences designed for Staying Smart;
- ✓ **Utilizing** multi-media resources and professional expertise for
- ✓ **Integrating** a balanced and well researched curriculum;
- ✓ **Encouraging** the participation of all residents regardless of their level on the cognitive continuum; and,
- ✓ **Recognizing** the brilliance of all residents while upholding the dignity and importance of each individual.

... "We ought to have TEAM ELLIOTT in every long-term care community. They belong to our team of healing professionals who care for our elderly. Congratulations and more power to you!"

-- Stella B. Montes, MD
Psychiatrist-Consultant
