

TEAM ELLIOTT EDUCATION AND ALZHEIMER'S RESIDENTS CONTINUE COMMUNITY SERVICE EFFORTS

Team Elliott Education & Serenades by Sonata Memory Care Residents Give The Most Important Gift in the World.

Orlando, FL – (October 24, 2014) Serenades by Sonata Memory Care Assisted Living Residents, under the guidance of Team Elliott Education, a company which provides intellectual opportunities for seniors, have created a way for residents to continue their lifelong spirit of giving.

Through extensive animal studies, integrated with creative design sessions, Serenades' residents gained knowledge and appreciation for what animals can do for people living in poverty stricken areas. Serenades' residents expressed their compassion for people throughout the world by selecting a variety of animals to support the efforts of Heifer International.

With money raised through art sales along with a generous contribution by **Team Elliott Education**, Serenades residents purchased much needed livestock, which provides the gift of self-sufficiency, to those less fortunate than themselves.

Heifer International is an international nonprofit organization working to eradicate poverty and hunger through sustainable, values-based holistic community development.

Heifer distributes animals, along with agricultural and values based training, to families in need around the world as a means of providing self-sufficiency. Recipients must agree to *pass on the gift* by sharing animal offspring, as well as the skills and knowledge of animal husbandry and agricultural training with other impoverished families. Livestock donation provides hope for struggling farmers looking for a way out of poverty.

About Team Elliott Education

Team Elliott Education is an innovative, creative lifestyle program which raises the standard for intellectual care within senior living communities.
